

**RIT** | National Technical Institute for the Deaf

**WHAT:** Club members utilize their problem solving skills to complete math challenges. Selected team members will have the opportunity to compete in a regional math competition for Deaf and Hard of Hearing students. During these competitions, students will collaborate with each other as well as compete individually. **Fundraising is required. See Coach Christy for the fundraising keychain.**

**WHO:** Students entering 6th - 8th grade

**WHEN:** August 2025 - January 2026. Practice is online at Khan Academy. See Coach for sign up assistance - laptop required

**COMPETITION:** [see below]

**Team Criteria:** Attendance, performance during practice, teamwork, and attitude
